Mr. Webster says that Memoir is a memorandum detailing a history or a tale from personal experience and memory. In the pages of this book we would like to tell you through pictures, words, and art, the 1963-64 story of Bedford High School. We hope that Memoir will become a part of your memory in the years to come of the years spent at Bedford High School.

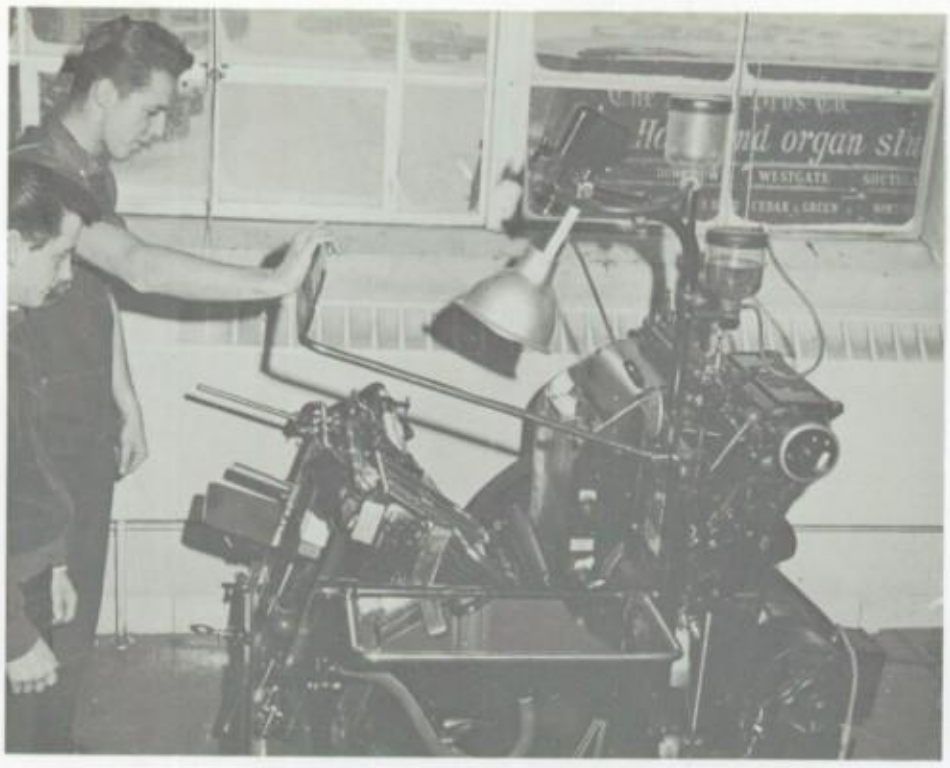
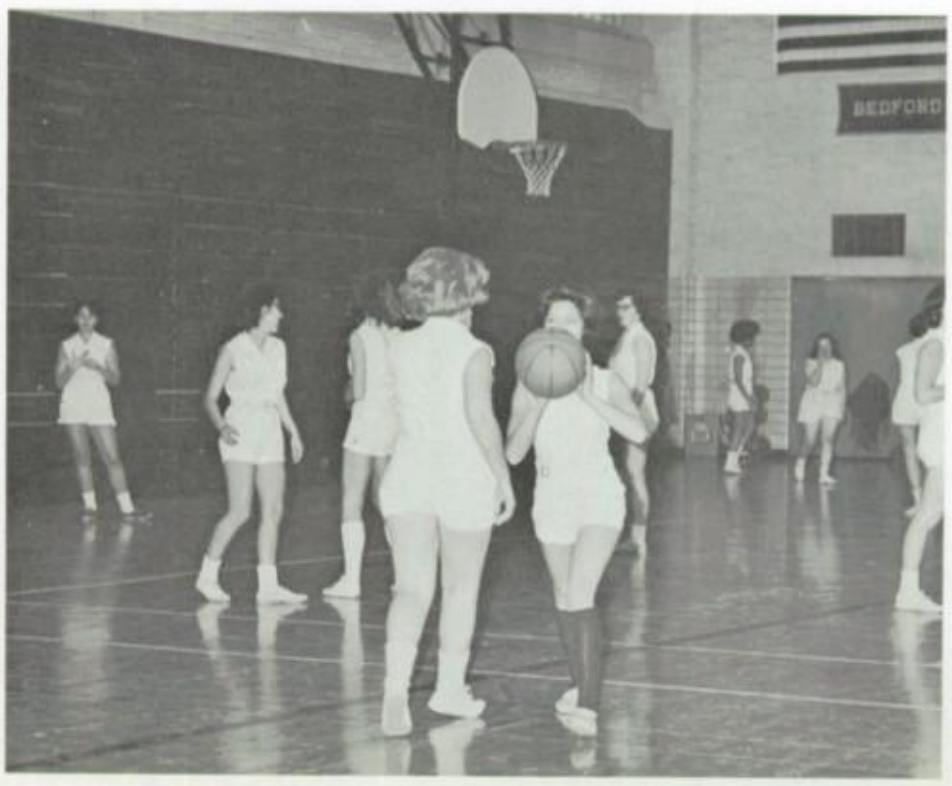
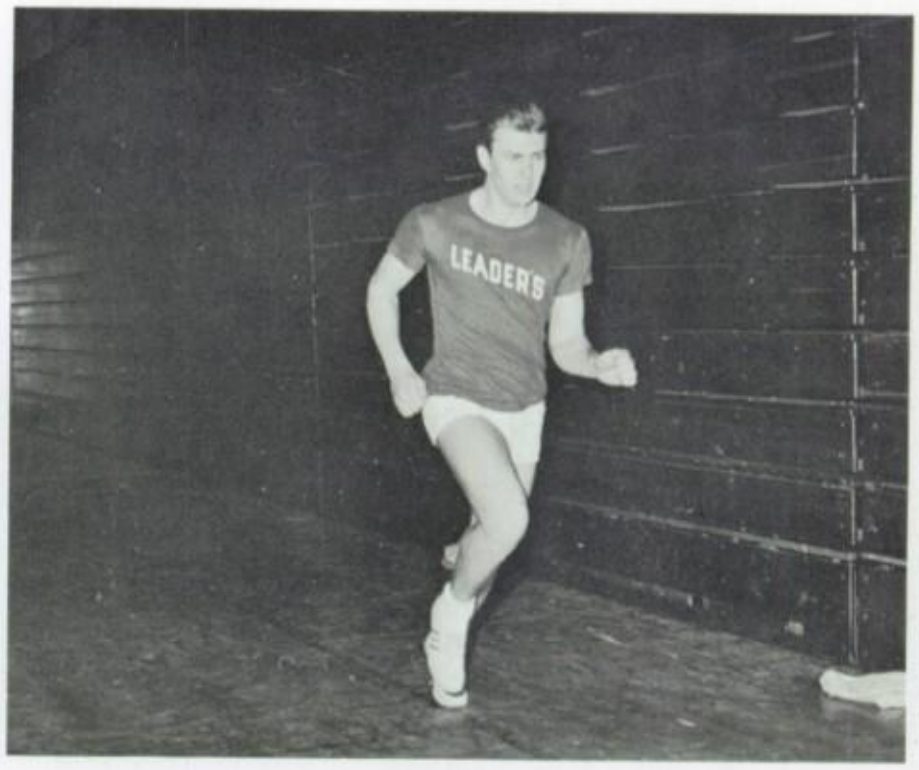
. . . The halls at 8:00 a.m. are bedlam—time is spent visiting with friends, returning library books, and going to lockers. Hurry, hurry, hurry, the bell is going to ring. Some are even late to class—there's the buzzer—all quiet on the classroom front—perhaps in team teaching or chemistry or some other class. Now, if your eyes would only open so you could see what the teacher is putting on the board! . . .





BEDFORD

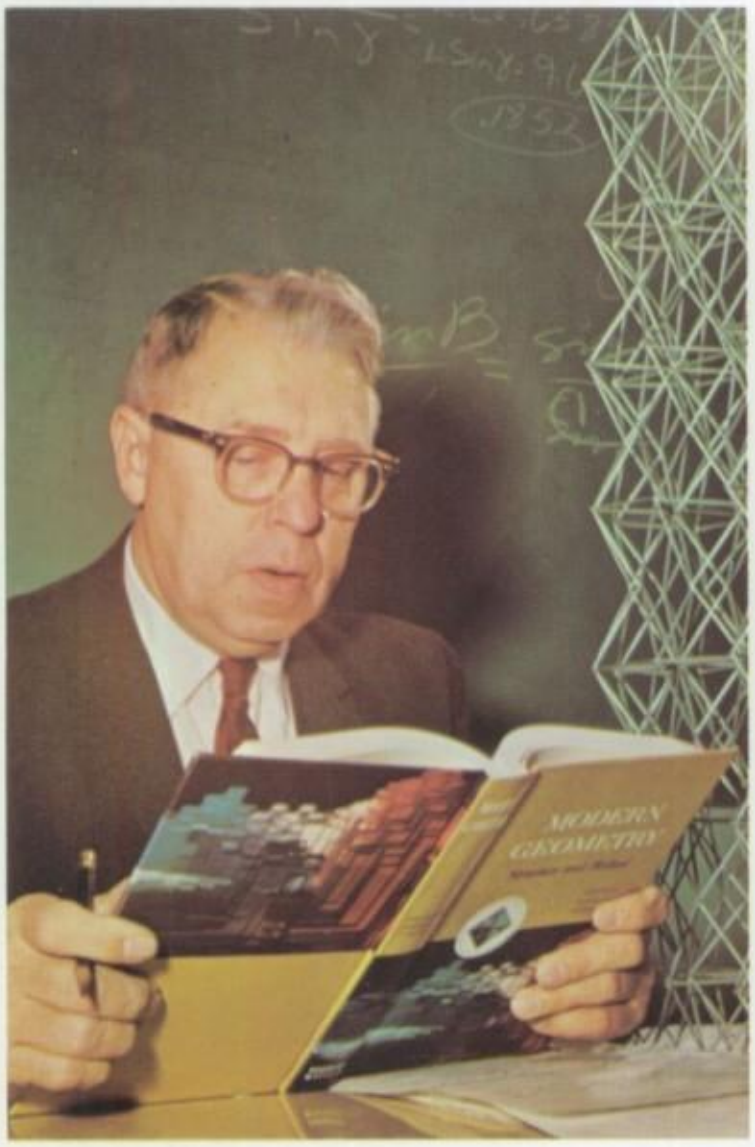
. . . But school is not all work and no play, there's study hall, lunch, assemblies, lunch, hall guarding, lunch—well, we do have two lunch periods—split, that is. But that's not all we do. In our spare time (study halls) students spend time on club work, prom committees, working for teachers, the office switchboard, and recuperating from classes . . .

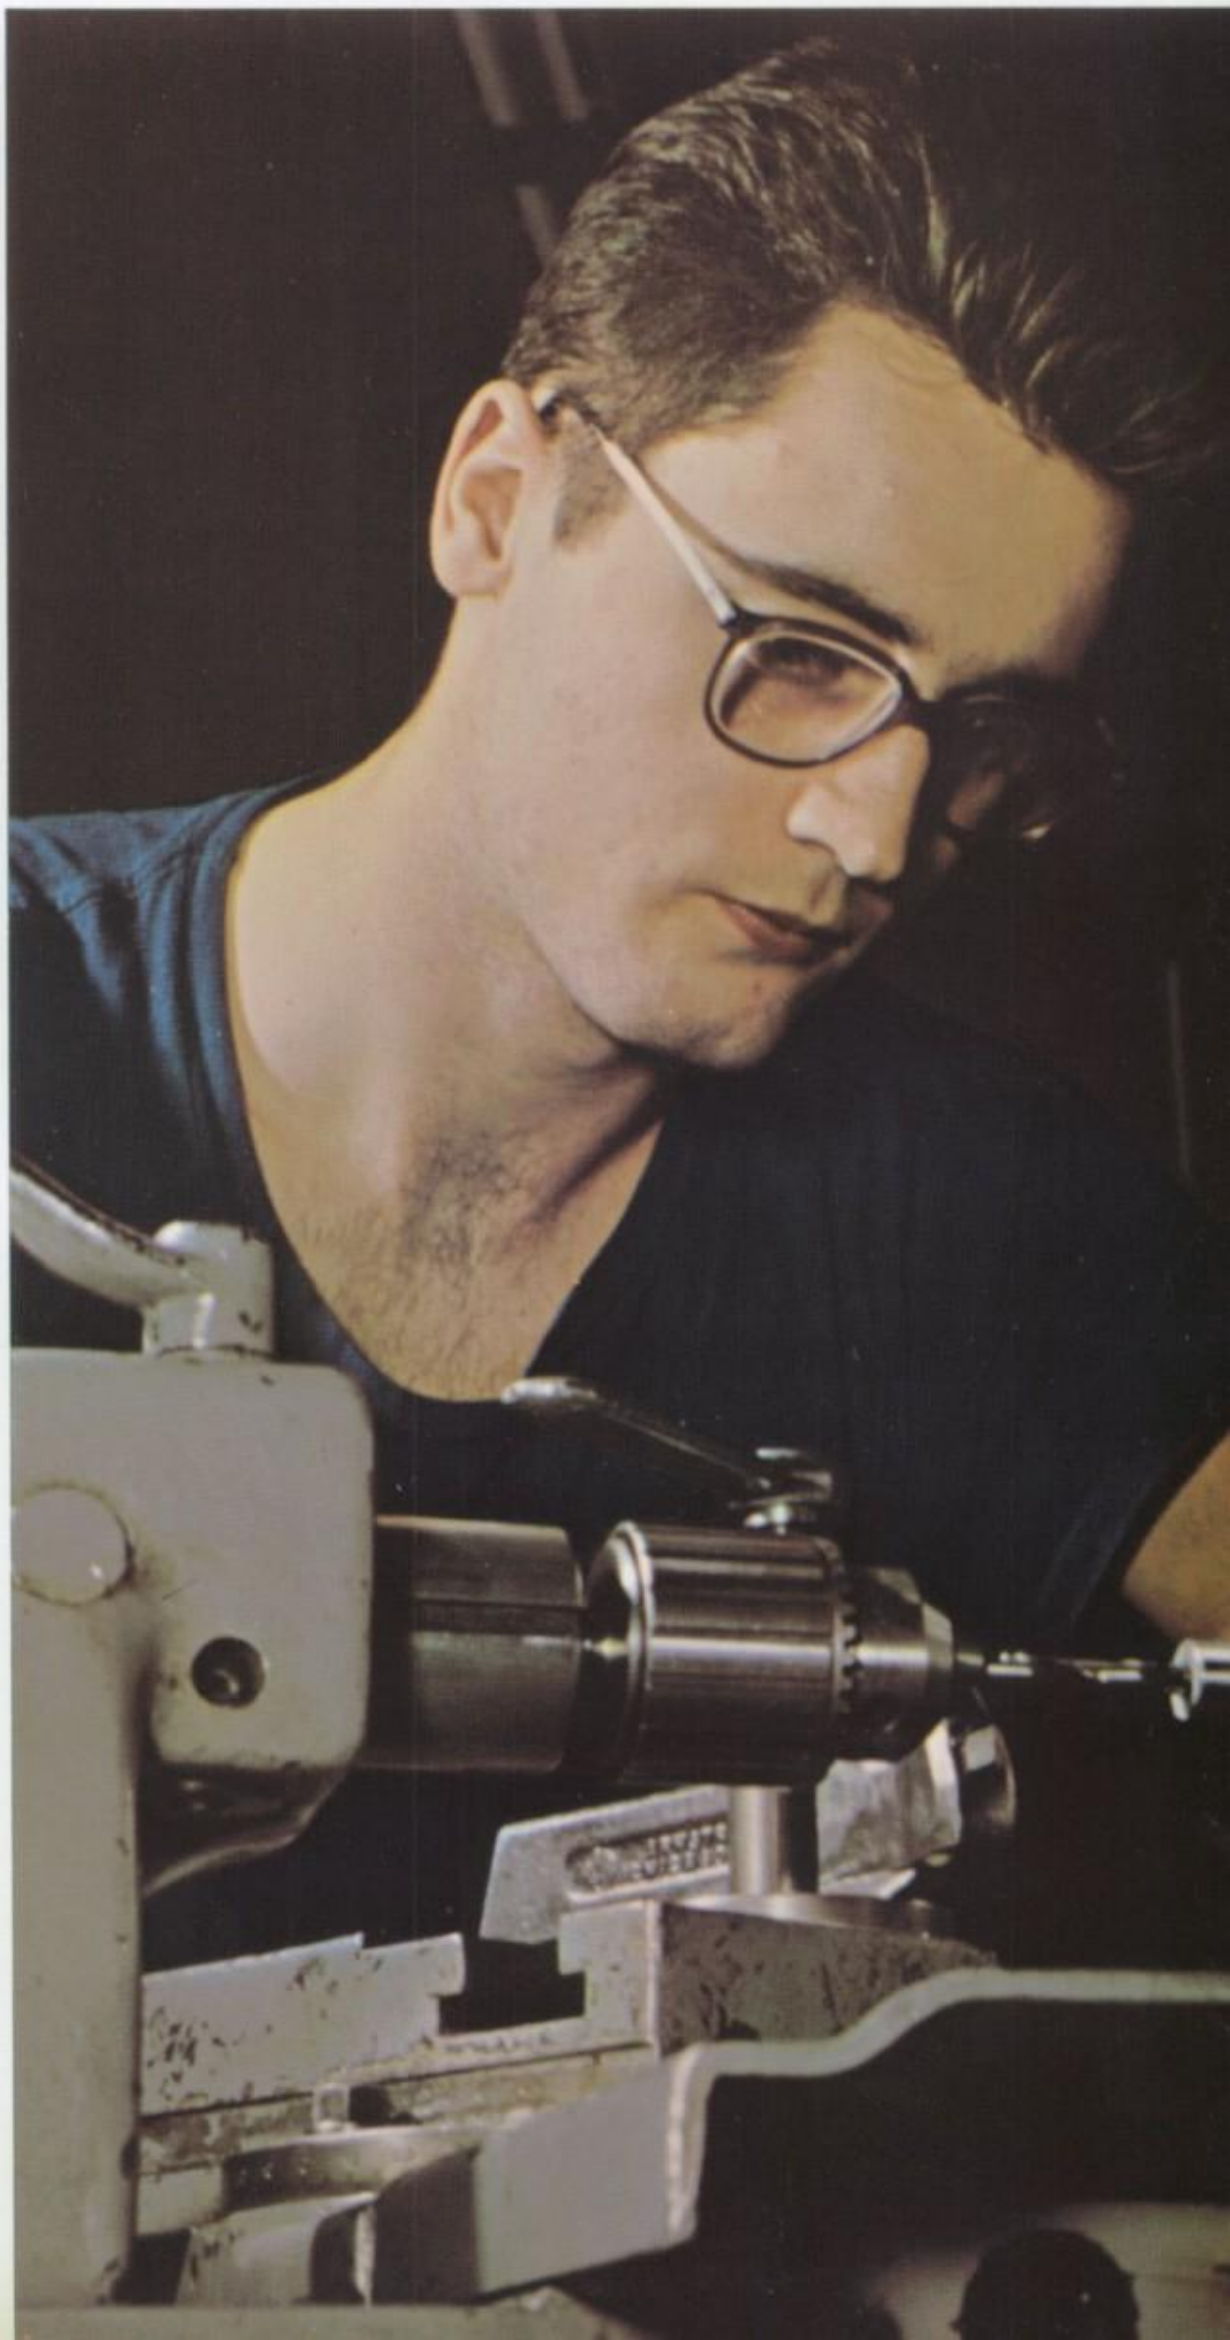


LEADERS

. . . The school day goes swiftly—and does not necessarily end at 2:33. Many are out for sports, strengthening body skills. Club activities take place after school and in the evenings. The snack bar caters to those who want to pick up that let down feeling at the end of the school day. And above all—you can start studying for the next day! . . .

Administration





That first hectic day of school . . . new names and faces to learn . . . grade books . . . pink grade cards . . . faculty meetings . . . counseling . . . grading papers . . . typing reports . . . faculty tea . . . final exams . . . summer vacation.

ADMINISTRATION

In every organization there are people responsible for promoting ideas and making decisions. Bedford's educational idea center is the beautiful glass-walled Administration building. There men and women inside make the decisions which have provided us with the flexible education we need to become good citizens of tomorrow.

OFFICE PERSONNEL

The smooth functioning of both an entire school system and a single school is the result of the capable work rendered by many seldom-praised people. The administration secretaries, as well as the heads of various departments, located in the administration building, help maintain a school system of which we are proud. At the senior high level, 1400 students and teachers are cheerfully served by the secretarial, custodial, and kitchen staffs, who do work so often taken for granted.

Seated: Mrs. Griffith, Mrs. Zak; Standing: Mrs. Andrews, Mrs. Grobelny, Mrs. Close, Mrs. Buck, Mrs. Arndt, Manager; Mrs. Ridgway.

Standing: Greg DePompei, Amos Selby, Jim Foreman, Glen Miller; Sitting: Bud Fisher, Head Custodian.

Mrs. Twitt, Mrs. Day, Mrs. Wyville, Mrs. Kadlowec.

Language is the primary means by which men communicate. A strong English department promotes individual creativity and mental acumen through the study of both American and foreign literature practice in methods of composition and enlargement of vocabulary. The language skills we develop in high school are a major factor in determining our success in numerous phases of our adult life.

An intense study of our past must be undertaken in order that we may intelligently understand our future. Advances toward a fruitful future can be incited by a curiosity for both the obvious and the obscure, which may be appeased only through the definitive, methodical thinking promoted by mathametics.

SCIENCE

Science subjects the human mind to an awareness of existence through observation of realms of life too miniscule for the unaided eye to discern. Broadened knowledge of the field is a decisive factor in aiding an adjustment to an incessantly developing technological society.

DEDICANT

Conscientious, dedicated, diplomatic—These words describe our principal, and this year's dedicant, Mr. William Vorlicky. Serving as principal since 1953, he has worked to make Bedford High a institution of secondary education which serves the educational needs of a rapidly expanding community. Upon his shoulders rests the responsibility of co-ordinating all the various aspects of a school into one smoothly functioning body. It is with great pleasure and pride that we, the class of 1964, dedicate our book Memoir to Mr. Vorlicky.

The Class of 1966

Familiarizing ourselves with a new building and a different set of teachers, we elected class officers and settled down to the routine. Under their capable leadership, directed by Mr. Rosenthal, we whirled through the avalanche of activities, both curricular and otherwise. After choosing and ordering rings, we spent a night in the Roaring Twenties that was the cat's meow! We are looking ahead with confidence as we at last become upperclassmen.

Seated: Peggy Grobleny, Vice President; Laura Vitullo, Secretary; Rollie Geiger, Treasurer; Standing, Mike Santoli, President; Mr. Rosenthal, Adviser.

The Class of 1965

Slithering Salesman Sam sparked our magazine drive to soaring success, surpassing last year's total and setting a new school record. This was accepted as a good omen as our class bubbled with characteristic enthusiasm in all endeavors.

Our athletes aided the Bearcats on to victory as the girls did their share by winning the volleyball championship. After appearing as our favorite characters at the Character Ball, we vented all our excess energies into the beautiful Evening in Paris.

Ad Memoriam

" 'Can this be death? then what is life or death?
Speak!' but he spoke not: 'Wake!' but still he slept:—
'But yesterday, and who had mightier breath?
A thousand warriors by his word were kept
In awe: he said, as the centurion saith,
'Go' and he goeth; 'come,' and forth he stepp'd.
The trump and bugle till he spoke were dumb—
And now nought left him but the muffled drum' "

— George Gordon, Lord Byron

BEDFORD HIGH SCHOOL BAND

Ten-shun! one, two! . . . This is the sound of the Bedford Band beginning to drill at Red Raider Camp. In six days, these marching musicians, under Director Lloyd DuVall, perfected the intricacies of precision football routines.

Weekly, before the kick-off and at half-time, evidence of this practice was witnessed by crowds of Bedford boosters.

Selling candy, tuning for the spring concert, and stepping high in the Memorial Day Parade, the Band brought an active year to a successful close.

A CAPPELLA CHOIR

The strains of the Lutkin Benediction fade softly into the night as the A Cappella Choir ended one of its many accomplished performances. This ninety-member choral group, under the direction of Mr. Thomas Shellhammer, is noted for its fine tradition and outstanding musicianship. The choir performed in the thrilling Christmas Concert, the National Honor Society Induction, a combined concert with Berea and Midpark, the Spring Sing, and at Baccalaureate and Commencement. Selections by the A Cappella Choir were heard on Cleveland's WJW Station in February of this year. Leading this active group were Kathie Melling, President; Rudy Povirk, V. President; Karen Keller, Secretary; and John Cangelosi, Treasurer.

From the A Cappella Choir are chosen several ensembles, one of which is the Madrigal Singers. These ten students performed with exceptional finesse at various school, city, and state events. The Madrigal Group was privileged to broadcast a Christmas program from the Kent University radio station.

The Girls' Sextette, made up of six young ladies from the choir, also performed excellently throughout the year.

BOYS' GLEE CLUB

Completing its second year in existence, Boys' Glee Club found itself growing in size and ability. Its performances at the Christmas Concert and Spring Sing added a masculine touch to the program. In addition, Boys' Glee also gave an elementary school concert in early spring to complete the year.

GIRLS' GLEE CLUB

The Girls' Glee Club originated a tradition by introducing their floor-length formal skirts at the Christmas Concert. Under the direction of Mr. Thomas Shellhammer, they gave accomplished performances at the Lenten Service and the Spring Sing, to prove that success is a result of hard work.

SOPHOMORE CHORUSES

The Sophomore Mixed Chorus and the Sophomore Girl's Chorus meet daily to sing for enjoyment and experience. They learn to understand basic music notations and to follow musical scores. The organizations serve as possible membership in the A Cappella Choir. The Sophomore Girl's ensemble, along with the large choruses, gave excellent performances at the Christmas concert under the direction of Mr. Thomas Shellhammer.

STUDENT COUNCIL

Student Council is the self-governmental body of BHS. The newly organized Student Court, and the older Honor Study Hall system, have given students a chance to show themselves capable of good judgment, leadership, and responsibility. Homeroom representatives, presidents of student organizations, and appointed committee chairmen attend the monthly meetings. Student and club representatives discuss and attempt to solve current school problems.

Among the club's activities this year were the publication of the student handbook, the sale of Bearcat pennants, a dance, and a banquet, held in the spring, honoring the club's officers.

ART SERVICE CLUB

Art Service Club members offer their creative talent for designing and constructing decorations, programs, and displays for school activities. They improve their artistic techniques through experience as they provide a service to the school.

BOOSTERS CLUB

The only requirements for membership in Boosters Club are enthusiasm for B. H. S. and a willingness to work hard. The Boosters' wide range of activities continuously stimulates school spirit.

In school and at the games, pep posters, penny squares, goal post streamers, "Bearcat" hoops, mums, programs, and team refreshments, are evidence of Booster energy. The club encourages student support of the teams by sponsoring buses to games played away from Bedford. Undoubtedly, this organization plays a vital role in Bedford High School's athletic program.

Madelyn Scott, Vice President; Elaine Forepaugh, Treasurer; Chris Basa, President; Ellen Lowe, Secretary.

BEE-HI-BUZZ

Rushing to meet deadlines and always alert for news, the newspaper staff works to put out the Bee-Hi-Buzz. Under the direction of Mrs. Kucera, the staff learns how to do page make-ups, layouts, and other small duties that make the paper possible.

With Mrs. Wagner as advertising consultant, Mr. Galvin's printing department, and the circulation and advertising staff, the Buzz has experienced a big boost in production and circulation.

COUNCIL ON WORLD AFFAIRS

Council on World Affairs offers students an opportunity to learn about and discuss world problems. Last summer, COWA helped to send BHS student Anne Radicelli to Costa Rica under the American Field Service student exchange program. The major activity of the club is the model United Nations held at Lakewood High School, although COWA sponsors other events as well. Guest speakers, debates, a dance, and the Christmas party make COWA an enjoyable educational experience.

FRIENDSHIP CLUB

Friendship Club's trip through "Fantasy Land" began with a stop-over at Cinderella's palace for the Harvest Hop. In the midst of winter snows, the girls chose "The Dance of the Sugar Plum" as the theme for the Christmas Party for underprivileged Bedford area children. At the faculty tea, "Looking Down the Rabbit Hole," members entertained their teachers and advisers with songs and dances, and treated them to delicious refreshments. With one last visit to the forest home of "The Three Bears" for the Pa-Ma-Me Banquet, Friendship Club rounded out a full year of activities.

FUTURE NURSES OF AMERICA

It is through an oganization such as Future Nurses of America, that girls have an opportunity to gain first-hand knowledge of their future occupations. The crisp, white uniforms worn by cabinet members serve to remind members of meetings and of the uniform they will wear soon. Under the guidance of Margaret Nash, club members made hospital favors, visited hospitals, and attended the final banquet.

GERMAN CLUB

Sprechen Sie Deutsch? The German Club is open to both first- and second-year German students. Although meetings were flexibly scheduled, members received an excellent idea of Germany, its peoples, and its customs. Mrs. Jean Brady advised the officers and led the group to an informative enjoyable year.

FUTURE TEACHERS OF AMERICA

The membership of F. T. A. is composed of students interested in the teaching profession. This club, under the guidance of Miss Mary Troxell and Miss Adelaide Behrend, gives its members the opportunity to teach at our local elementary schools during the year. As a service, F. T. A. provides ushers for all school plays and concerts.

LIBRARY PAGES

Bedford's conscientious library pages work under the excellent supervision of Mrs. Verdabelle Spaulding and Mrs. Evelyn Twitt. The pages shelve books, process magazines, file cards, help with references, and serve as general assistants to the librarians. Bedford students have found that although the pages are quiet in their work, they are indispensible to B. H. S.

Seated: Roger Szymczyk, President; Standing: Rich LaRue, Treasurer; Mr. Rudy, Adviser; Bill Vorlicky, Vice President; Absent: Rick Alden, Secretary.

NATIONAL HONOR SOCIETY

National Honor Society is designed to recognize outstanding students on the basis of scholarship, leadership, service, and character. Students must maintain a B average to be eligible for membership. Approximately ten per cent of the senior class and five per cent of the junior class are inducted annually.

KEY CLUB

The key word in Bedford's Key Club is service—to the school and to the community. Approximately forty-five boys, under Mr. Rudy and the Kiwanis Club, meet weekly to present ideas and reports of service projects. This active, enthusiastic club runs the Red Cross Bloodmobile and donates money to our school library and the Foreign Exchange Student Program. This year, thanks to these energetic boys, BHS owns a new projector. The club's contribution to Bedford's social calendar is the Christmas Formal—this year more beautiful than ever before.

Seated: Sue Skillicorn, Secretary; Miss Simpson, Adviser; Bill Vorlicky, President; Standing: Andy Ramos, Treasurer; Janet Regula, V. President.

PROJECTION CLUB

Members of Projection Club efficiently operate Bedford High's audio-visual equipment as a service to the school. For classes, and for extra-curricular activities, Mr. Kensicki's well-trained crews man the controls of movie cameras, slide projectors, multi-speed phonographs, and tape recorders.

Jim Castle, Ed Koharik, Russ Green, Mike Adams.

QUILL AND SCROLL

Quill and Scroll, the international honorary society for literary achievement, encourages and rewards individual achievements in journalism and allied fields. Members of the yearbook and newspaper staff, as well as persons who have published composition are eligible. The club's activities are directed by Mrs. Grace Kucera.

Linda Krakauskas, Secretary-Treasurer; Mrs. Kucera, Adviser; Walt Tiburski Vice-President Sue LaBatte President.

Mrs. Kelley, Adviser; George Effinger, Treasurer, Paula Semancik, Secretary; Harry Chambers, Vice-President; Absent: Carol Hayward, President.

THEATER ARTS

In Theater Arts, students learn about the performing arts through practice in everything from voice projection to stage "props." A car wash and a hootenanny provided the capital needed to sustain the club scholarship to the Purdue Summer Drama Workshop.

The Arts provided committees and the majority of actors for the Friendship Club and the Senior Class play. Mrs. Joretta Kelley, enthusiastic club advisor, directed Bedford High's dramatic productions.

In the spring, outstanding club members were inducted into the dramatic honorary, the National Thespian Society. The Arts gavel passed to the hands of the incoming president as the officers-elect assumed their positions at the May banquet and theater party.

SPANISH CLUB

Members of the Spanish Club are second- and third-year Spanish students who have a special interest in the language. Among the club's many activities are field trips, guest speakers, and the "Platicando," the Spanish newspaper. The highlight of the year is the Spanish Fiesta over which King Bill Strachan and Queen Anne Radicelli reigned this year.

SHORTHAND CLUB

Second-year shorthand students interested in the business field are active in Shorthand Club. Eminent businessmen and former members of the club discuss with the girls the variety of opportunities available in the business world. The club helps the girls to improve individual shorthand reading ability, develop proper office habits, and keeps them informed on the latest office techniques. Under Mrs. MacArthur's competent direction, the club sponsors a Christmas corsage sale, holiday party, post-game dance, and car wash.

CROSS-COUNTRY

It has been said, and Coach Stabile will agree, that cross country is the most tiring, the most grueling, and yet the most wonderful sport popular today. Our men seemed to have had what it takes as they completed a successful 4-1 season. As our Bearcats ate up the miles, Mayfield, Garfield, Gilmour, and Eastlake fell to the wayside. Cleveland Heights alone outpaced our fleet-footed harriers. After taking third place in the G.C.C. meet, our closely-knit team went on to gain the number two spot in the district, and qualified for state competition.

BLOCK "B"

Block "B" became an important part of our extra curricular program for 110 girls who directed their energy and enthusiasm into a rousing, well-trained cheering section for our Bearcat Basketball team. Cheering at home games and the tournaments, they belted out songs like seasoned troubadours, and went through entertaining and well timed hand routines with the precision of an army drill team. A senior captain was in charge of each row and the Block practiced and performed under the direction of JoAnna Cherniss, head captain. Miss Hood is the adviser.

FOOTBALL

Autumn came, and with it the perennial football fever. Hoping to better a two-win, seven-loss season, Coach Daugherty and his wonder boys began the grunts and groans of practice in mid-August. Nevertheless Solon, Brecksville, and Mayfield splashed cold water on the Bearcats before the team began to jell. Against Maple, our boys displayed a strong defense and halted every major drive. It was an even match that resulted in a 0-0 tie. Encouraged, the varsity went on to upset Midpark, ranked seventh in the city, and Berea. Hopes of a conference championship were shattered as Garfield overpowered us and Eastlake's victory plumited us to third place. However, the season ended on a happy note, as we defeated Willoughby South, 6-0.

"Happy Birthday, Coach!" said the team victoriously.

HOMECOMING

Queen Beth Brown and her attendants, Carol Hayward and Ellen Lowe, were greeted by an enthusiastic crowd under a bright full moon. Beth graciously received her crown from last year's queen, Charlotte Guinti, and the Varsity B escorts accompanied the queen and her court to the victory throne.

Was it that great a surprise, Mr. Rose?

BASKETBALL

Cool and confident Coach Rose inspired a group of Bedford High boys to become a championship team. In the final conference game of the season our Bearcats edged the Berea Braves in an overtime to nail the conference title. The hardwood five: Cigoi, Torrey, Vorlicky, Beatty, and Neitert, impressed numerous fans with a winning combination of fine ball handling and aggressive defense throughout the season. With strong bench support and record-breaking school spirit, our Bearcat team finished the season with a great overall record and the G.C.C. crown.

WRESTLING

The Varsity wrestling squad coached by Mr. Beshara, displayed fine team work to produce an excellent 9-1 record. Led by six returning lettermen, the team's near-perfect season ended with a defeat at the hands of defending state champions, Maple Heights.

The Junior Varsity mark of 8 wins and 1 loss show evidence of hard work under Mr. Jerasa. Both squads overcame the majority of their opponents to illustrate highly developed speed and ability.

BASEBALL

With emphasis on stamina and skill, the varsity baseball team began a rigorous training before winter snow had begun to melt. Coach Custer put our spirited batsmen through the drills that helped them to become a first-rate team. Consistent winners with a 15-4 record, our Bearcats finished a highly successful season by capturing the conference championship.

VARSITY B CLUB

Winning a varsity letter is one of the biggest thrills any boy can experience. If a letter-winner maintains a C academic average, he may be eligible for membership in Varsity B Club. Our boys in Varsity B jackets are examples of the best in sportsmanship and the finest in athletic ability. The club sponsors the Homecoming celebrations, and promotes a basketball game between the faculties of Moody and Bedford High—complete with Varsity B "cheerleaders." The club brings the year to an active close with the athletic banquet.

INTRAMURALS

Bombers? Crimson Tide? Wonders? These unique names have been bestowed upon a few of the many teams participating in Mr. Poirson's intramural sports program. Games of touch-football and basketball have provided an opportunity for more boys to gain skill through experience and to enjoy the thrill of competition.

Take us to your "Leader."

GIRLS' ATHLETIC ASSOCIATION

"The "G.A.A." offers girls an opportunity to meet new friends, learn good sportsmanship, and improve athletic skills. All girls are invited to become members and to participate in the many events which the club offers. After earning a G.A.A. letter, a girl may become a member of G.A.A.'s governing body, the Letter Girls' Club.

CHEERLEADERS

In letters to the student body from "The Department of Spirit," Bedford High's cheerleaders played an important role in increasing and intensifying student enthusiasm. During football, basketball, and wrestling seasons, the squad led the crowds on Booster Buses and in the stands, as they "backed the Bearcats" all the way to victory. Sponsoring pep rallies that were high-lighted by skits, routines, songs, and competition cheers, the girls used every available means to reach their goal of 100% participation.

The Class of 1964

We were born in '46 and graduate in '64. As the beginning of the post-war baby boom, we characterize both quantity and quality. As "Greenies" we were proud of it—our class rings, "Rosey" executing the twist, perfect record for JV football with not one point scored. "Bernie" brought 'em in, in a record-setting magazine drive for a plaque, "Kemet." Our muscles flex as seniors for a wonderful year in athletics and smoothly-running clubs. Everything we do is with enthusiasm and sadness knowing we participate in or observe these activities for the last time as true inhabitants of BHS. Looking at the past and glancing toward the future, we seniors balance on threshold of tomorrow.

YEARBOOK

For many months, our busy yearbook staff has been compiling material for Memoir, under the excellent supervision of Mr. Paul Deevers. There were many jobs to be done before the fast-approaching deadline arrived and the book went into production. Extra work went into pushing sales toward the one thousand mark in order to have color on the division pages for the first time in a Bedford High School annual. There were layouts to be done, copy to be written, hundreds of paste-ups to be completed, pictures to be taken and identified, the cover to be designed, and art work created throughout the book. The yearbook staff takes great pride in presenting the 1964 Memoir to you.

The Bedford Board of Education accepted with sincere regret the resignation of Mr. Heskett after thirteen years as Superintendent of Bedford City Schools. Under the firm guidance and leadership, Bedford has a school system as fine as can be found anywhere. The Class of 1964 would like to take this opportunity to wish continued success to Mr. Heskett in whatever field he directs his interests.
